ZEN APARTMENTS
THE ART OF PEACEFUL LIVING

The word 'Zen' is the Japanese attempt at pronouncing the Sanskrit word 'Dhyana', which translates as 'meditation'. The whole point of Zen practice is to become fully aware, here & now. To come home to the present moment; this is truly where we live.

Living fully and authentically in the present moment makes each instant of one's life a peak experience. Each moment is filled with a profound peace & clarity. Each moment is perceived to have infinite depth and significance, charged with magic and mystery, infinitely precious. Zen brings us face to face with our true original nature. Cutting Edge Infrastructure gives you this unique opportunity of enjoying a world of tranquility in the heart of a bustling Delhi with Zen Apartments!

Zen Apartments finds ideal location in prime areas of Delhi, with everything being just a stone's throw away! Designed to use the harmonious interaction of space and form to create for you a choice selection of single-level independent floor apartments, Zen Apartments are both serene and sophisticated. Everything, from design to infrastructure, is meant to calm the spirit, mind and eye. For Cutting Edge Infrastructure, Zen Apartments is not just about a design style, but a way of distinguishing your home and creating an atmosphere that offsets the stresses and hassle of your daily routine and enlightens a sense of joy by evoking the true meaning of Zen in your everyday life!

If you are looking for a calm oasis in a city of stress, as the place to call "home", Zen Apartments is the perfect answer and address for you!
